THANK YOU

ESME e.V. would like to thank all the members who devote much of their free time to running the organisation and who do all the hard work involved behind putting on such a concert. We would also like to thank all members who help publicise and advertise events, run our social media and websites, organise rehearsals and basically do everything else which is involved to keep us running - you know who you are!

Furthermore we would like to thank all of our non-members who help out, by taking photographs, transporting equipment, transporting the musicians - every little helps and is much appreciated!

Finally a big thank-you to you, our audience and supporters, for coming to see us tonight.
