# Conductors

## **Alonzo Barrett (Orchestra)**

Alonzo Barrett, born in Los Angeles and raised in Southeast Texas, has been pursuing a bachelor's degree in orchestral conducting at the Munich University of Music and Performing Arts since 2021. He began his musical training on the alto saxophone. In 2018 he won second prize in the state of Texas at the TMEA competition. From 2019 to 2021, he studied classical saxophone at the Jacobs School of Music in Indiana with Prof. Dr. Otis Murphy. During this time, he gained his first conducting experience: in 2020, at the age of 18, Alonzo stood on the podium of the Fort Wayne Philharmonic. While a student, he has had the opportunity to work with numerous orchestras, including the Munich Symphony, Munich Chamber Orchestra, Staatstheater am Gärtnerplatz Orchestra, and Staatskapelle Halle, among others. Alonzo is very happy to be able to make music here in Germany, and to get to know German culture and to share music with people.

## **Linda Oppermann (Singers)**

Linda started conducting her first a cappella ensemble at the age of 14 and has been working with amateur ensembles ever since. She held a teaching position for piano improvisation at the Musikhochschule München until summer 2020, where she also carried out a project for children with her own musical "Schatten der Zeit". Linda joined ESME in 2019, doing a great job of keeping spirits up during the pandemic years. She recently changed her career and now works as a life coach, while still pursuing music as her hobby.

## **Davy Kazan (Resident Alien Big Band)**

Davy has had a passion for music from a very young age. When deciding on how he could contribute to the school band, he chose to take up the saxophone. Involving himself in many bands and small ensembles throughout his school and university years, he found that his real love was for jazz. These days Davy is an IT professional but brings this passion and enthusiasm to the Resident Alien Big Band. He joined ESME in the summer of 2012 and stepped into band leader role in 2016. Davy would like to thank all the band members for their dedication and support.

# Thank - You

---

A big thanks goes to **all the members who devote much of their free time to running the organisation** and who do all the hard work involved in putting on such a concert. We would also like to thank **all members who help publicise and advertise** events, run our social media and websites, organise rehearsals and basically do everything else which is involved in keeping us running. You know who you are! Furthermore, we would like to thank all of our **non-members who help out** by taking photographs and transporting equipment. Every little thing helps and is much appreciated! Last but not least a big thank-you to **you, our audience** and amazing **supporters**, for coming to see us tonight.
